

## Stevenson Hits U.S. Foreign Policy

### Says America Close to Losing Leadership

#### Eisenhower to Address Editors On Policy Tonight

WASHINGTON (U.P.)—Adlai E. Stevenson said today the Eisenhower administration has "come dangerously close to losing" America's leadership in the free world.

He also charged that the administration has "all too often deliberately, intentionally misinformed" Americans.

He suggested "prompt and earnest consideration" of stopping further hydrogen bomb tests.

Stevenson, who is again a candidate for the Democratic presidential nomination, made these statements in an address prepared for delivery before a luncheon meeting of the American Society of Newspaper Editors.

President Eisenhower also will address the editors on foreign policy. He will speak at 9 p. m. CST and his speech will be broadcast and televised.

It was believed Mr. Eisenhower would unfold a new program for easing East-West tensions, especially in the Middle East.

Stevenson suggested several steps which he said would improve U. S. relations with other free countries:

1. "A decent respect for the opinions of others is still a basic requirement of a good foreign policy. . . . We want to be recognized not as bold but as prudent."

2. "We should give prompt and earnest consideration to stopping further tests of the hydrogen bomb" and call on other nations to do the same as the first step toward control of armaments.

3. Basic revision of the method of giving foreign aid, with more reliance on the United Nations as the agency for economic aid. "We will have to stop demanding that recipient nations pass loyalty tests, and stop using our money to bribe feeble governments to set up rubber-check military pacts which will bounce as soon as we try to cash them."

Stevenson also suggested using farm surpluses as "raw materials of diplomacy."

He called on the United States to provide the lead in peaceful uses of atomic energy and warned that Russia might beat this nation to it.

Special significance was attached in advance to the President's address, at 10 p. m. EST, which will be given nationwide radio and television coverage. The Voice of America announced the President's address will be broadcast "to all areas of the world."

The President chose the ASNE convention April 16, 1953 as the forum for his famous "deeds not words" foreign policy speech. The President then challenged Russia to take definite steps to end the cold war.

Administration officials familiar with advance work on the President's speech said he would give a "general foreign policy review" of his administration and a "look ahead." This could include new proposals for "deeds not words" by Russia on disarmament, peace measures in the Middle East, Germany and other issues still dividing East and West.

The editors already have heard a warning from a high administration official that Russia's new tactics cloak a "tremendous capability of military aggression."

### Tulsa Editor ASNE President

WASHINGTON (U.P.)—Editor Jenkin Lloyd Jones of the Tulsa Tribune became president today of the American Society of Newspaper Editors.

The 44-year-old editor succeeded Kenneth MacDonald of the Des Moines Register and Tribune on the final day of the ASNE's annual convention.

Virgil Dabney, editor of the Richmond Times-Dispatch, succeeded Jones as first vice president.

### E. E. Lewis Rites Tuesday at 2 p. m.

The funeral will be held Tuesday at 2 p. m. The body will lie in state at the Harrisburg funeral home.

## Margaret Truman Walks to Altar This Afternoon to Wed Newsman

INDEPENDENCE, Mo. (U.P.)—Margaret Truman marries New York newsman Clifford Daniel today in the same little Episcopal church where she was confirmed 16 years ago.

Miss Truman said she would walk to the altar this afternoon carrying the prayerbook her grandmother, the late Mrs. D. W. Wallace, gave her on that day long ago.

The events leading up to the wedding were devoid of pomp and circumstance and were as far apart as Independence is from Monaco.

Such personages as party giver Perle Mesta of Washington and Mr. and Mrs. William Zeckendorf of New York were in Independence for the wedding, but the socialites were outnumbered by the longtime friends of Margaret's childhood.

Only 18 persons attended the bridal dinner Friday night at the Kansas City Club in downtown Kansas City. The party was headed by former President and Mrs. Truman.

For the most important event of her life, Margaret chose organ music to be played, as at any other service in Trinity Episcopal Church, by J. R. Hammontree.

The great organ music of Bach and Mozart will precede the ceremony. Margaret and her attendants will then walk 45 feet down the aisle of the little church to a liturgical march, "Trumpet Voluntary," by the 17th Century English composer, Henry Purcell.

Daniel, an assistant to the foreign news editor of the New York Times and former foreign correspondent, already had won the approval of the townspeople.

The quiet, dignified newsman said he had not seen much of Independence but found what he had seen charming.

Daniel, who has declined to discuss details of the wedding, was in a jocular mood when asked what Mr. and Mrs. Truman gave their only child.

"Bright eyes," he said.

Miss Truman revealed earlier she was attracted to the urbane Daniel because early in their acquaintance he teased her. That, she said, she liked because it is an old Truman family custom.

Margaret said she will be an early-rising wife who prepares breakfast for her husband before he leaves for his 9:30 a. m. to 5:30 p. m. stint on the foreign desk of the New York Times.

She will begin that chore in about two weeks when they return to New York from their honeymoon in the Bahamas. They expect to be back in time to see Mr. and Mrs. Truman off for Europe on May 11.

The university announcement said the student who stole the accounting examinations from an office was dismissed early in the week.

Two other students accused of mimeographing and offering the tests for sale also were dismissed along with the thief, according to the university.

The remaining 20 students expelled were identified as purchasers of the examinations.

Morgan said a tip on the sales came from a fraternity house advisor who reported an anonymous phone call from a man who offered to provide the examinations to the house at \$5 per head.

Morgan said he found 30 other fraternity and rooming houses had been contacted. The sellers had collected \$87 when caught, he said.

The university disclosed no names in announcing the dismissals and said the action was taken "for conduct unbecoming a university student and prejudice against the best interests of the university."

## Abolish Armies, Outlaw War, Khrushchev Asks

### Eden Pressured To Match Russians' Propaganda Tactics

LONDON (AP)—Communist boss Nikita S. Khrushchev linked Russia's familiar appeal for "peaceful coexistence" Friday night with a call to the West to outlaw war and abolish armies.

One London newspaper speculated that the speech was so expertly timed and written to appeal to Britons that it might have been drafted by turncoats Guy Burgess and Donald MacLean.

Khrushchev told an array of Britain's top-ranking generals, admirals and air marshals at a naval college banquet that an arms race in the modern world is "like a fox trying to catch its own tail."

"That which is first rate this year may be out of date next year," he said. "I read a press report today that the Americans have produced a fighter which can fly with double-sonic speed. But what can a fighter like that do against a guided missile or rocket?"

War "Frosts" Dispute  
"At one time, all fighting was done along some definite front line. . . . In the case of a new war, it would not be possible to find any definite front line. . . ."

"There can be only one way out—to give up war altogether, to agree to a reduction of arms as a first step . . . and then to abolish the armed forces."

The skillful timing and the persuasive wording of Khrushchev's "off the cuff" speech increased official pressure on Prime Minister Anthony Eden to match the Russian's propaganda tactics.

So far, Eden has lived up to an agreement to keep his talks with Khrushchev and Premier N. A. Bulganin secret. . . . while the Russian embassy has been handing out texts of the Soviet leader's remarks to all comers.

Eden Reply Absent  
Friday night was the second time during the three days he has spent in Britain that Khrushchev has made a speech at midnight, assuring it major headline play in the British papers before the government can hope to reply.

Reliable sources said efforts have been made at every level of government to persuade Eden to tell Britain's side of the story, so far without effect.

### Chicago Woman Heads Illinois Congress of PTA

PEORIA (AP)—Mrs. Milton Wiener, Chicago, was elected president of the Illinois Congress of Parents and Teachers Friday.

Mrs. Wiener is a housewife and the mother of two children.

The group ended its 54th state convention here today after it elected four other officers.

Delegates chose Mrs. Isaac Loose, Illinois, as first vice president; Dr. J. Lloyd Trump, Urbana, second vice president; Mrs. Robert Nelson, Libertyville, third vice president, and Harold Sohrbeck, East Moline, treasurer. All offices are for two-year terms.

The state PTA also adopted a plank in its 1956-57 platform supporting the Supreme Court's recent decisions on desegregation of the public schools.

### Blackwood Brothers Is Famed Gospel Singing Group

Blackwood Brothers

The Blackwood Brothers quartet, appearing at Bonnell gymnasium Tuesday night, May 1, is probably America's most famous gospel quartet. Sponsored by the Harrisburg Junior Chamber of Commerce, the famed gospel singing group will be featured on the program which also includes the Egyptianaires, outstanding local quartet.

Organized in 1934, the Blackwood Brothers have been singing ever since, having traveled from coast to coast and from Canada to Mexico, with appearances on all the major radio networks, CBS television, and RCA Victor recordings to their credit. In 1954 their RCA Victor recording of "The Man Upstairs" won national ranking in record popularity polls, and RCA considers them its top gospel recording group.

The Harrisburg program, sponsored by the Jaycees as part of their civic betterment fund drive, is scheduled for 8 p. m. Tuesday, May 1. General admission seats, at \$1.00 each, can be purchased from any Jaycee, or at the door that night.

Reserved seats are on advance sale at Davenport Jewelers, 7 West Poplar, and at Jim's Shoe store, north side of the square in Harrisburg. Reserved seats are \$1.35 each.

### British to Ship Arms to Israel

LONDON (AP)—The first British shipment of arms to Israel since the Communists began arming the Arabs will leave London soon, the Israeli embassy disclosed today.

But the embassy, plainly desiring to emphasize that Israel still is not receiving from the West the amount of weapons she believes she needs to counter the growing armament of the Arab nations, stressed that the shipment will be small.

## My Thanks to the Voters of Saline County

The returns of the Saline County Primary election resulting in my certification as the Republican nominee for States Attorney gave me a deep sense of satisfaction in that so many friends have shown me the honor of writing in my name for that office.

It would be a great honor to serve as States Attorney of my home county, but I have taken an oath as Assistant United States Attorney which prohibits me from engaging in political activities while I hold that position. I feel at this time that I can best serve the people by completing the work in which I am now engaged. Limitations of time prevent me from completing these tasks in sufficient time to campaign for the office of States Attorney.

Were I to resign my present position to accept the nomination it would mean that another vacancy would occur which would require one inexperienced in the District Attorneys office to take up my incompleated duties.

I sincerely hope that in the future I will be given the opportunity to serve the people of Saline County more intimately, and you may be sure that I shall always treasure the honor that you have shown me.

Jack C. Morris

## SANCTUARY

The sun makes golden patterns across the tiled floor, and there seems something ageless and of wondrous beauty in the vaulted arches of solid stone. Here there is sanctuary, freedom, at least temporarily, from the worries of the outer world.

In every great life, there have been times of reflection and meditation. There have been moments of solitude to renew a flagging spirit with the infinite power of God, to find an inner peace which comes from another world.

In every life, there are times when sanctuary is needed. There are moments when the quiet witness of the Holy House is more eloquent than all the words in the world.

Often a step into the shadowed quiet of a church brings a resurgence of faith and courage that sets life on a new and greater course. This is the miracle of sanctuary—a miracle that can happen TO YOU!

## THE CHURCH FOR ALL...

### ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and spiritual support. Plan to go to church regularly and read your Bible daily.

## 'The Church Endures Persecution'

Acts 6:8-10; 7:51-60  
GOLDEN TEXT: "For unto you it is given in the behalf of Christ, not only to believe in him, but also to suffer for his sake." (Philippians 1:29)

INTRODUCTION—Last week we learned of the courage of the early Christians. Today we are thinking of the persecution of those early Christians. Those church members of that day certainly did pay a terrific price that we might have our present day privileges.

If you were required to suffer beatings, stonings or death in order to prove your faithfulness to Christ, what would you do? Would you compromise with the persecutors? Would you deny Christ and live in comfort, or would you be willing to suffer for his sake? Remember, it is happening in many countries of this world today. It could happen here.

Stephen is a good example of early Christian suffering and martyrdom. Let us study his life.

### I. STEPHEN, THE DEACON

(Acts 6:8-10)  
In that early church at Jerusalem there arose a need for some extra service. The work was growing. When any church grows, certain problems accompany that growth. (Let it be said here, however, that all problems can, and should be, solved in a Christian like way.) The problem here concerned the widows. Some of them were being neglected concerning their material needs.

The Apostles did not have time to cope with every little problem of each individual. (The busy pastor today is confronted with the same problem. He can't spread himself thin enough to meet every problem of every individual.) Therefore, they "sought out seven men of good report," and set them apart as deacons. These deacons were to assist those Apostles by taking care of the needs mentioned above.

The deacons, or stewards, of today are not worth their salt, if they are not assisting their pastor in carrying out the work of the Master. They are literally called to be assistant pastors.

Stephen was a "man of good report." He was filled with the Holy Spirit. Read the qualifications of a deacon as found in I Timothy 3:1-13. He fulfilled these.

### II. STEPHEN, THE PREACHER

(Acts 6:7)  
Stephen was not an ordained preacher. He was a layman who was not afraid to give his testimony for Christ. We have men

like that today. There is no greater thrill than to hear a layman stand before an audience and witness for Christ. They can often win men to Christ that the preacher could never touch. Actually, every Christian is charged with preaching the gospel. Stephen accepted this opportunity.

When Stephen was brought before the council to defend himself, his accusers noticed that "his face was as the face of an angel." Any Spirit filled person radiates the personality of Christ.

III. STEPHEN, THE MARTYR  
(Acts 7:51-60)  
Here was an experience that was to leave its mark upon Saul of Tarsus, Saul the persecutor. Saul was soon to become, as my good friend, Bernie Smith calls him: "The Thirteenth Apostle." Saul the persecutor would soon become Paul the missionary.

Notice that Stephen, in the face of death, pulled no punches in his preaching. He told those men that they were the "stiff-necked and unbelieving people, always resisting the Holy Ghost." He told them that they had "destroyed the prophets, and had slain the Christ," when he had come to them with His message of salvation.

The Scriptures here indicate that those men became so very angry that they gnashed Stephen with their teeth. They threw him bodily out of the city. Saul held the cloaks of his soldiers as they stoned Stephen to death.

CONCLUSION—Saul remembered to his dying day the smile upon Stephen's face as he died. He remembered the words of Stephen's last prayer: "Lord, lay not this sin to their charge." No doubt, he reflected on the words of Jesus from the Cross: "Father, forgive them, for they know not what they do."

Yes, those early Christians were willing to suffer pain and death for the sake of Christ. Are you?

## Yogi Berra Receives Most Valuable Player Award for Third Time

NEW YORK (AP) — Yogi Berra, an old hand at accepting "most valuable player" awards, didn't take any chances with his "acceptance speech" this time — he just grinned.

The stocky Yankee catcher was presented with the 1955 American League MVP award Friday by Baseball Commissioner Ford Frick before the Yankees-Red Sox game. Frick pointed out that this is the third time Berra has won the award and "that ought to give him permanent possession."

## Rev. 'Buddy' Peyton Addresses Dads, Lads Banquet at Presbyterian Church

Approximately 120 men and boys attended the Dads and Lads banquet at the First Presbyterian church, sponsored by the Board of Deacons, Friday evening.

The large group heard an inspiring address by Rev. Harrison "Buddy" Peyton, young Methodist minister.

The speaker asked the question "Are Christians Sissies?" Then he declared that those who think Christians are sissies are completely wrong, that it "takes all of a man to be a Christian."

Rev. Peyton, former Galatia high school basketball and baseball star, is coach at Thompsonville high school and pastors a rural Methodist church west of Harrisburg.

While a ministerial student he was selected to an all-star basketball team to tour the Orient. All members of the team were studying for the ministry and they combined basketball with evangelism, preaching at halftime and after the close of each game.

Many of the experiences of this trip were mentioned and it was said that more than 8,000 persons were converted to the Christian religion by the young men.

Speaking to those with athletic ambitions, Rev. Peyton declared that any ball player would be a much better player if he were a Christian. "A man will be better at anything he tries if he has Christ in his heart. A clean heart and a clean mind will make you better," he declared.

The evening started with a banquet at 6:30, with Attorney George Lee master of ceremonies. Mickey Muggie entertained with two trumpet solos and Vern Joyner led in group singing. Mrs. Hudson Muggie accompanied at the piano.

Rev. William Burroughs, church pastor, gave the invocation and the benediction.

### EDDIE the EDUCATOR says

**BUILDINGS for TEACHERS** needed for **1/2 million** pupils

There were 1,476,065 pupils enrolled in Illinois public schools in 1953-54. It is estimated that there will be about 2,000,000 enrolled in 1963-64. Will we be ready with buildings and teachers to meet the increase?

## Eddie Mathews Homers Twice as Braves Beat Cards, 5-4, for Third Win

By United Press  
Eddie Mathews' booming bat is the No. 1 reason the unbeaten Milwaukee Braves are off today to the best start in their four-year history.

An early-season flop last year when the Brooklyn Dodgers romped off to an overwhelming lead in the National League race, the 25-year old slugger from Texarkana, Tex., walloped two home runs Friday night to pace the Braves to a 5-4 decision over the St. Louis Cardinals.

It was the third straight victory for the Braves, who opened the season with two straight wins over the Chicago Cubs.

Mathews, who had a perfect night with three hits and three runs in three at bats, homered in the fourth and sixth innings and singled to touch off an eighth-inning game-winning rally. Big Ed scored the winning run when Bob by Thomson delivered a sacrifice fly with the bases filled.

Averages 1955 State

Mathews' outburst was especially encouraging to the pennant-hungry Braves, because the big fellow didn't connect for his first round-tripper last year until their 16th game on May 1 and he didn't hit his second until their 23rd game on May 8.

American League castoff Lou Slaughter, third Milwaukee pitcher, limited the Cardinals to two hits in 2-2-3 innings to gain credit for

the triumph. The crowd of 23,964 set an opening day record for the Cardinals.

The Chicago White Sox, off to their best start since 1951, also remained unbeaten when they beat the Kansas City Athletics, 6-3, with the aid of a two-run ninth-inning homer by pinchhitter Ron Northey.

Brilliant pitching was the order of the day as a total of 194,615 fans viewed the eight "secondary openers."

Dodgers Swamp Pirates

Roger Craig didn't yield a hit until the seventh inning and finished with a four-hitter as the world champion Dodgers beat the Pittsburgh Pirates, 6-0. Craig who struck out eight batters, was aided by two homers by Junior Gilliam, who drove in four Brooklyn runs.

Sam Jones, NL strikeout king in 1955, also pitched a four-hitter and struck out nine batters behind an 18-hit attack that carried the Cubs to a 12-1 rout of the Cincinnati Redlegs. Monte Irvin blasted a homer double and single, Ernie Banks homered and Dee Fondy weighed in with three hits in the Chicago assault.

Del Ennis broke up another tight pitching duel with a 10th-inning bases-filled single that gave the Philadelphia Phillies a 2-1 decision over the New York Giants. Jack Meyer, who worked the 10th inning, picked up the win for the Phillies after Herman Wehmeier held the Giants to four hits in nine innings.

Mantle Clears Paths

Whitley Ford tossed a five-hitter and Mickey Mantle blasted his third homer of the year, a three-run seventh-inning wallop, to lead the New York Yankees to a 7-1 conquest of the Boston Red Sox. The Yankees chased "jinx" pitcher Willard Nixon after five innings as they handed the Red Sox their first loss after three straight triumphs.

Early Wynn hurled a five-hitter in his 1955 debut to score the 202nd win of his career as the Cleveland Indians beat the Detroit Tigers, 3-1. Gene Woodling homered and Al Smith connected for two hits to help hand the winless Bengals their third successive defeat.

Gus Triandos' two-run seventh-inning homer gave the Baltimore Orioles a 3-2 win over the Washington Senators and enabled Jim Wilson, 12-game winner in 1955, to gain the nod over Dick Brodowski. Clint Courtney had three hits for the Nats, who now stand 1-3 for the season.

## Six Children Fatally Burned, Three Injured

WASHINGTON (AP) — Six young children were burned fatally and three others critically injured Friday when a fire swept through a row house while the children were alone.

Police said the children's mothers, Mrs. Dorothy Parker and Mrs. Mary P. Saunders, were at a neighbor's home cooking dinner. They said the gas in the house was shut off because of nonpayment of bills.

The sixth victim was 2-year-old John Parker, who died in a hospital today.

Firemen said they did not realize there was anyone in the home until after the fire was extinguished. Police in a passing patrol car turned in the alarm.

The children—all Negroes—were trapped in a second floor bedroom. Flames swept the house when an oil stove apparently exploded, police said.

## Five Fugitive Sailors Whisked Back to Russia

WASHINGTON (AP)—The super-secret Central Intelligence Agency stopped watching five fugitive Soviet sailors before they suddenly "redefected" to Russia two weeks ago, an informed source said today.

The source said the CIA speeded entry of the sailors into the United States from Formosa, after they refused to return to Russia when their ship was seized by the Chinese Nationalists.

The sailors were under CIA surveillance when they entered this country, he said. But, he said, after the agency exhausted the small intelligence information the seamen had, it quit watching them.

The CIA, which has no police powers, declined to comment.

Another Russian sailor, 20-year-old Viktor Solovoyev, told the Senate Internal Security Subcommittee how he resisted the efforts of Red agents to lure him to the Park Avenue headquarters of the Soviet U. N. delegation.

The five of his comrades — of the nine who originally came to this country — went there, though Solovoyev swore two of them told him they did not want to return to Russia despite pressure by Soviet agents.

The five were driven to Idlewild Airport April 7 in the company of at least 19 Soviet representatives, another witness testified. After a few minutes' hearing before an Immigration Service official they were hustled aboard a commercial airliner and left the country, he said.

## Youth Legislature Begins Final Voting On 100 Measures

SPRINGFIELD (AP) — The 1956 "Youth Legislature" today began final voting on more than 100 bills up for consideration, and prepared to wind up its Springfield session.

The measures included a proposal to require high schools to give their students competence level tests in rhetoric, and advise remedial work in English composition and grammar if they received poor grades on the tests, so they could meet University of Illinois entrance requirements in rhetoric.

The seventh annual YMCA "Youth Legislature" convened Friday, with some 350 youths from Illinois HSY and Tri-Y clubs participating in the mock session.

Other bills considered ranged from a proposal to help reduce farm surpluses by a 10 per cent tax on fertilizer to establishment of "drag strips" for racing hot-rods and the lowering of the voting age from 21 to 18.

## Bull Dogs Beat Ridgway, 10-5

The Harrisburg Bull Dogs beat Ridgway, 10 to 5, in a prep baseball game played yesterday afternoon on the town park diamond.

Jerry King, local hurler, pitched good ball except in the fifth inning, when he had a streak of wildness, walking a number of batters. In that frame Ridgway scored four runs. He allowed five hits.

Harrisburg iced the game early, scoring four runs in the first inning as the team batted around, and two more in the second. Crayne hurled for Ridgway, permitting nine safeties. Ridgway's best pitcher, Mills, had a sore arm and played second base.

The lineup of Coach Lawrence Caluffetti's Bull Dogs: Mickey Stone 2b, Bill Henshaw lf, Jim Cummins and Bob Pavelonis ss, Ray Hassett c, Don Pickford rf, John Ziegler and Trevor Whiteside 1b, Bob Clark cf, Jack Weatherly 3b and Jerry King p.

Bob Dallas, Ridgway coach, used the following lineup: Gauman ss, Clifford lf, Fowler 3b, Sheppard 1b, Mills 2b, Hise cf, Roark c, Crayne p. Ballard rf.

Next Harrisburg baseball game is Tuesday at Galatia.

NEW DEAL—Pee Wee Reese, left, expects to have a steady partner in making double plays for Brooklyn this season. The new second baseman is Charley Neal, up from Montreal.

### Announce Spring Scenic Tours

A new club has been formed in the lower tip of Illinois for the purpose of promoting scenic tours in the area. The group has been incorporated under the name of "The Upper Fortian Club." A 40-acre tract has been purchased bordering Giant City park and a club house is under construction.

Charter members of the club are: Paul Knight, J. T. Hester, Fayette Gough and Robert West of Centuria; O. H. Richter, Brentwood, Mo.; W. H. Farley, Harrisburg; Maurine and Lucille Pillow and George Barkman, Marion; D. A. Purdy, Du Quoin; J. M. Lentz, Coulterville; E. L. Rogier, Patoka, and Wayman Presley, Makanda.

The club has arranged three tours for April and May and cordially invite the public. Sunday, April 29, everyone is invited to meet at the Illinois Central parking lot at the depot in Carbondale at 9 a. m. to visit what the club believes to be the largest tree in Illinois. The group has been searching for a tree for three years which might qualify for this honor and believes it has found it in the form of a giant sycamore on the Ray Guthrie farm east of Cobden. It measures 18 feet, six inches around at breast height.

The second tour will assemble at the intersection of Routes 145 and 45 at the south edge of Harrisburg on Sunday, May 20, also at 9 a. m.

On Wednesday morning, May 30 (Memorial Day), the third tour will leave for a 5-day trip to hike the old Indian trail along the crest of the Great Smoky Mountains in North Carolina. This goes through 32 miles of absolute wilderness. Information about either trip may be received by contacting W. H. Farley, Harrisburg.
